Costal

The Costal collection brings together understated elegance and versatile outdoor comfort. Its solid frame is softened by an aluminium backrest, giving the sofa a light, airy look.

The backrest rotates to offer two seating positions, from upright seating for entertaining to deeper seating for relaxed afternoons. With a simple rearrangement of the cushions, Costal becomes a spacious daybed for unwinding by the pool. Each adjustment takes seconds and requires no tools.

COSTAL LOUNGE SET - Rs 191,705 Incl Vat

Specifications

Simply rotate the aluminium backrest to shift from regular seating to deep seating. Adjust the cushions for a more laid-back lounge position — you now have a daybed for total relaxation.
